

# Allerton iQ

## Designer Electric Radiator

Coming in a range of styles and finishes, the Allerton iQ is available in a classic horizontal orientation or space-saving low model, perfect in rooms with restrictive wall space. With its traditional triple or double column design, this stylish white or anthracite radiator suits any space it is installed in. Combine design with innovative WiFi app technology, sleek touchscreen control and efficient power-saving features, and the Allerton iQ Designer Radiator reveals itself as a uniquely sophisticated addition to any room.
